- **Collaborated w/ international, federal, state + local law agencies:** FBI, CIA, State + Local Police re: national security + crime prevention. Made high-stakes decisions amid high-pressure environments rife with volatility.
- **High-Level Domestic/International Experience** across social/geographical spheres: N. America, Latin America, Caribbean, Europe, Far East, Middle East, Southern Cone. Bilingual: English/Spanish. \$MM budgets; classified ops.

Executive Performance Summary

U.S. Drug Enforcement Administration (DEA) | dea.gov | 2001 to Present

Supervisory Special Agent — Foreign Operations Staff Coordinator (VA—D.C. HQ, 4/2020 - Present)

Strategy • Operational Support • Foreign + Domestic Offices

Recruited by Chief of Foreign Operations for HQ leadership role, based on prior Bogota, Colombia experience.

Build + oversee team providing operational support to domestic DEA offices covering investigations linked to Caribbean, Andean + Southern Cone Regions—22 offices + 16 countries in LatAm + Caribbean. Ensure compliance w/ all DEA policies + procedures throughout investigations + enforcement operations. \$1M classified program budget.

Chief Impact: Plotted strategic path through pandemic to achieve historical results. **Seized 100s of thousands of metric tons of unlawful drugs, saving thousands of U.S. lives** amid oversight of 2 of DEA's largest foreign footprints: Andean + Southern Cone Region (manufacturers of >95% of cocaine entering U.S.).

William 'Bill' Chamulak | bbchamulak@gmail.com

- **Steered agents + managers through COVID-19**, preventing entry of illicit narcotics; seized 200K+ metric tons of cocaine, 100 metric tons of heroin + 500K metric tons of marijuana.
- **Rallied diverse arms of government toward common goal**, devising/executing strategic plans in specific regions + leveraging reach of Department of Defense; Department of State; US Customs + Border Protection; CIA, FBI + Homeland Security.
- **Recharged imperiled operations after an agency retracted funding**. Coordinated multi-agency funding, achieving common goal: protect U.S.; gained buy-in for sustainably successful Caribbean Division Ops Center.

STRATEGIC OPERATIONS + INTELLIGENCE

- Brief the Leadership in DEA, DoJ, State + Defense Departments, National Security Council, Defense Intel Agency, and the White House
- Hold TS/SCI Clearance

Supervisory Special Agent – Group Supervisor (Detroit, MI | 1/2015 - 4/2020)

Tactical Diversion Squad Supervision • Healthcare System Fraud

Advanced to leadership role after excelling through application rigor + being vetted by nationwide Board of 10 Special Agents in-charge. Led 4 Special Agents; 3 Diversion Investigators; 7 Task Force Officers; 2 Federal Task Force Agents; and a Financial Investigator, Intelligence Analyst, and Investigative Assistant overseeing 56K+ DEA registrants across state of Michigan: 10M residents, 83 counties + 96K sq. miles. Held initial \$400K budget accountability for the 1 group, which ballooned to ultimate **\$1.375M budget oversight** for all 4 TDS Groups in Division during final 2 years of tenure.

Built trust among disparate cultures. Focused on highest-level violators + building federally prosecutable cases.

Chief Impact: Prioritized 85-170+ open/active investigations dispersed among 17 team members. Guided Special Agents/law enforcement officers through complexity: targeting illegal diversion of prescribed controlled substances.

- **Shaped high-performing, #1-ranked DEA team** for federally prosecuted investigations, seizures of drugs, money + weapons; pursued nationally recognized investigations to fruition.
- **Headed 18-mo. investigation** vs. violent criminal org; **\$5M+ seizures**; involved conspiracy--physicians diverting 1M+ dosage units of prescribed substances for street-level distribution.
- **Championed professional training for >1,500 DEA registrants**; attended by 1K healthcare givers/registrants.
- **Built collaborative network of public sector stakeholders** to address opioid prescription crisis.

CREATING NEW LEADERSHIP

- Proactively mentored agents.
- Tapped to mentor new supervisors
- Cultivated 5 agents + multiple task officers to be promoted to supervisor

Special Agent (Detroit, MI | 12/2013 - 1/2015)

Regulatory / Financial Fraud Investigations • Long-Term, Complex Conspiracy Cases

Navigated High Intensity Drug Trafficking Areas (HIDTA) funded, newly formed Tactical Division Squad through startup. Supervised team covering fraudulent diversion of prescription drugs. Mastered criminal controlled substance + regulatory investigations. DEA registrants: physicians, pharmacists, manufacturers, distributors. **Strategically guided team** via expertise in investigations, fraudulent, conspiracy + drug trafficking activities. Reported to Group Supervisor.

Chief Impact: Instrumental in prosecuting concurrent regulatory/financial investigations that led to 6 individuals' imprisonment, revocation of 1 DEA Registration + seizure of \$2M+. This 1 investigation of corrupt dental assistant, was girded by 100+ 'fake' patient profiles, 1,500 fraudulent prescriptions + multi-state sales distribution network.

- Managed all non-drug evidence leading to + throughout prosecution: **1K+ items/75-100 concurrent investigations**.
- **Led investigation spurring largest DEA civil forfeiture-\$7.75M-against drug manufacturer** + drug classification change.
- **Mentored 15 investigators, incl. 3 federally deputized local police officers**, on complex conspiracy/money laundering investigations along with DEA policies + procedures.
- **Collaborated with Secret Service**, coordinating DEA's special response team in Detroit and providing President with additional protection via onsite event and post site security.

HEIGHTENED AWARENESS OF CORRUPTION

- 1st case = largest civil forfeiture vs. drug manufacturer
- ID'd doctor's fraudulent behavior
- Shrank to 0 overdose deaths, from 50
- Nominee, DEA Administrators Award

Special Agent, U.S. Diplomat (Bogota, Colombia [South America] | 12/2010 - 12/2013)

National Drug Intelligence Program Management • International Liaison

Achieved coveted international role alongside Colombian counterparts, targeting Transnational Criminal Organizations (cocaine cultivators/manufacturers/distributors) + traversing volatile **anti-narcotics/narco-terrorism investigative arena pursuing most dangerous drug traffickers**. **Earned 3-year assignment for Bogota, Colombia** Country Office after steering far-reaching investigations that led to arrest/prosecution of high-ranking members of criminal organizations.

Served as supervisor DEA Agent over Cuerpo Tecnico de Investigaciones (CTI) Sensitive Investigations Unit (SIU), incl. 40 Colombian investigators + 2 DEA Agents; US Diplomat in charge of day-to-day activities + dangerous domestic cocaine investigations w/ link between US + Colombia. Reported to Group Supervisor or Assistant Regional Director + U.S. Ambassador. Dual government management-level + Diplomatic authority + supervised ~12 people.

Chief Impact: Skyrocketed cocaine seizures destined for U.S.: **more than >40X amount of cocaine** than was seized in my prior 9-year role. Nurtured open communications, serving as **liaison between U.S. + Colombian governments** during narcotics investigations; strategized key strategic responses to anti-narcotic / narco-terrorism policy initiatives, collaborating alongside lawmakers to shape / amend mutual agreements. Liaised w/ UN, Interpol, others.

- **Adapted to culture**, learning language, mentoring Colombians + empowering learning, growth + advancement. **Selected as Lead Agent**. Spurred **12 Colombians' selection into SIU program**.
- **Managed ops budget to \$150K**; oversaw additional \$75K training budget to cover training of Colombian investigators.
- **Developed worldwide network of law enforcement partners**—UK, Germany, Ireland, Australia, Mexico, Canada, France, etc.
- **Strategized action plan**, integrating input of diverse stakeholder views in case initiation, investigative operations, target identification and evaluation, + legal document review.
- **Enhanced local and national safety and security**, disrupting high-profile, multi-jurisdiction criminal organizations and maintained physical security of the office and employees.

MANAGED STRATEGIC OBJECTIVES

- **Seized 40+ Metric Tons of Cocaine, which statistically is 80-100 metric tons distributed in U.S. street sales.**
- **Ended 100+ clandestine cocaine labs.**
- **150 TCO leader/criminal arrests, extraditions, convictions, sentencings.**

Special Agent (Madison, WI | 02/2001 - 12/2010)

Investigations • Undercover Operations • Evidence Gathering + Documentation

Joined DEA Chicago Division to direct investigations + pursue threats to region, incl. notorious narcotics traffickers + terrorist organizations. Cultivated partnerships with law enforcement agencies, sharing information in ID'ing + targeting violent drug traffickers + offenders in local communities. Tapped as primary back-up to Resident Agent in Charge, managing daily ops + 5 direct reports: 3 special agents, 1 intelligence analyst + 1 investigative assistant.

Chief Impact: Steered 1st Cyber Title III intercept w/in Chicago Division + **2nd in DEA worldwide**, via 18-mo. initiative targeting international illegal prescription pill distribution network in Bangkok, Thailand. Compiled data/commonalities; expanded surveillance; **arrested targeted drug trafficker + 50 members of organization + 500 customers worldwide.**

- **Advanced DEA's footprint + cut drug-related crimes** via strategic partnerships + investigations that led to record arrests + seizures.
- **Compiled intelligence**; conducted complex narcotics investigations + surveillance for prosecuting cases of major US drug-law violators.
- **Presented findings to U.S. Attorney's Office, State Prosecutor's Office** + testified on high-profile cases, incl. mapping out conspiracy case and winning **40+ federal indictments, 100+ State and Local indictments** in U.S., and extradition of main target from Thailand to the U.S.—the 1st such extradition from Thailand to U.S.

AWARDED STATE OF WISCONSIN
"Narcotics Investigation of the Year"
WI Narcotics Officers' Association

EARLY CAREER SUMMARY: Respected police official serving as a Deputy Sheriff and Police Officer/Corporal.

Education + Professional Development

Carthage College, Kenosha, WI **Bachelor of Arts, Criminal Justice** | **Bachelor of Arts, Political Science**
Advanced Law Enforcement Training: **Multiple Federal Certifications, including Firearm Training**
Federal Firearms Instructor; Local SWAT, US Marshall + Secret Services Instructor
