National Football League (NFL) | nfl.com

5/2023 to Present

Integrity Representative / Legal Gambling Investigator

(United States | 5/23 – Present)

Preserving NFL Brand + Game Integrity • Collaborating w/ Law Enforcement + Community

Recruited by NFL to an elite, 26-person group of retired Federal Agents to perform suite of security services protecting integrity of NFL brand and games: regular season, playoffs, Super Bowl, NFL Draft, NFL Combine, etc.

Chief Impact: Oversee 2-state, Green Bay Packers region—Wisconsin and Iowa—establishing protective measures to deter, detect, prevent and respond to terrorist + mass casualty attacks: arson, drones, unmanned aircraft/vehicles, etc. In preparation to safeguard the stadiums + fans, completed extensive review of two rules/regulations manuals to gain extensive knowledge + real-time application of **NFL Best Practices for Stadium Security + NFL Best Practices for Fan Conduct**, including participation in roundtable scenarios to put best practices learnings into action.

- **Apply Security Best Practices on a game-by-game basis across 65K Green Bay Packers fans, as well 200+ NFL athletes + 100s of coaching + administrative staff.**
- **Investigate legalized sports betting integrity and security services + how it affects the NFL: players, coaching staff, referees as well as team ownership and executives.** Report investigations to the NFL Gaming Integrity Vice President and/or Director.
- **As a law enforcement liaison** during offseason, collaborate with state gaming regulatory agencies and law enforcement investigators to unearth information re: investigations related to sports gambling corruption—sports wagering suspicious activity and illegal sports gambling and wagering not sanctioned by the state.
- **On game day, field red-flag notifications from NFL** re: suspicious legalized wagers placed through various NFL gambling partnerships; e.g., DraftKings or Caesars Palace. Review analytical report for sports wagering red flags (on team as a whole, on a player or on a particular statistic), impacting Wisconsin or Iowa and further perform in-person game monitoring at Green Bay Packers Lambeau Field (the sole professional team in the region). As well, watch for illegal streaming of games on individual smart phones or smart watches; and, manage safety + security of NFL referees, preventing harassment while entering/exiting stadium.
- **Conduct background investigations** on potential employees—for example, currently conducting background investigations on 30-person ownership group.

INVESTIGATIONS + SECURITY BEST PRACTICES

- **Presented NFL Gambling Practices to entire Green Bay Packers organization (~200 people).**
- **One of several presenting on NFL Security to players + coaching staff.**

U.S. Drug Enforcement Administration (DEA) | dea.gov

2001 to 2/2022

Supervisory Special Agent — Foreign Operations Staff Coordinator

(Arlington, VA – Washington, D.C. HQ | 4/2020 – 2/2022)

Strategy • Operational Support • Foreign + Domestic Offices

Recruited by Chief of Foreign Operations for HQ leadership role, based on prior Bogota, Colombia experience.

Built and oversaw team providing operational support to domestic DEA offices covering investigations linked to the Caribbean, Andean and Southern Cone Regions—encompassing 22 offices and 16 countries in LatAm and the Caribbean—and ensured compliance with all DEA policies and procedures throughout investigations and enforcement operations. Accountable for \$1M classified operational program budget.

Chief Impact: Plotted strategic path through pandemic to achieve historical results. **Seized 100s of thousands of metric tons of unlawful drugs, saving thousands of U.S. lives** amid oversight of 2 of DEA's largest foreign footprints: Andean + Southern Cone Region (manufacturers of >95% of cocaine entering U.S.).

- **Steered agents + managers through COVID-19**, protecting U.S. from entrance of illicit narcotics and leading seizure of 200,000+ metric tons of cocaine, 100 metric tons of heroin + 500,000 metric tons of marijuana.
- **Rallied diverse arms of government toward common goal**, devising and executing strategic plans within specific regions while leveraging reach of the Department of Defense (Navy, Air Force, and Coast Guard); the Department of State; US Customs and Border Protection; CIA, FBI + Homeland Security.
 - Enabled movement of critical equipment + human resources amid period of prohibited 'common' travel.
 - Cultivating this partnership spurred new interagency agreements, previously nonexistent.
- **Recharged imperiled operations after an agency retracted funding** by leveraging leadership diplomacy and outside-the-box thinking. Flexibly adapted collaborations to coordinate multi-agency funding, among entities which previously had not partnered, to achieve common goal: protect the U.S.; gained funding buy-in for new Caribbean Division Operations Center that has since led to unordinary success within the region.

STRATEGIC OPERATIONS + INTELLIGENCE

- **Brief the Leadership in DEA, DoJ, State + Defense Departments, National Security Council, Defense Intel Agency, and the White House.**
- **Hold TS/SCI Clearance.**

Supervisory Special Agent – Group Supervisor

(Detroit, MI | 01/2015 –04/2020)

Tactical Diversion Squad Supervision • Healthcare System Fraud

Advanced to this leadership role over Detroit Tactical Diversion Squad after **excelling through rigorous series of pre- and post-application requirements**, including affirmation by nationwide Board of 10 Special Agents in-charge.

Led 4 Special Agents; 3 Diversion Investigators; 7 Task Force Officers; 2 Federal Task Force Agents; and a Financial Investigator, Intelligence Analyst, and Investigative Assistant overseeing 56K+ DEA registrants across state of Michigan: 10M residents, 83 counties + 96K sq. miles. Held initial \$400K budget accountability for the 1 group, which ballooned to ultimate **\$1.375M budget oversight** for all 4 TDS Groups in Division during final 2 years of tenure.

Strategically assimilated 2 groups with overlapping roles + disparate cultures in wake of governmental reductions. Cultivated empowered, trust-based culture via deliberate mentoring efforts that also shaped future organizational leadership. Focused on highest-level violators in the region + building federally prosecutable cases.

Chief Impact: Piloted investigative ship through undulating waters—**prioritizing initiatives for 85-170+ open/active investigations dispersed among 17 team members**. As servant leader, guided seasoned Special Agents + law enforcement officers through mission complexity: targeting illegal diversion of prescribed controlled substances.

- **Shaped #1-ranked team in DEA for federally prosecuted investigations**, seizures of drugs, money + weapons; + pursued multiple nationally recognized investigations to fruition.
- **Orchestrated 18-month investigation** targeting violent criminal organization; resulted in **\$5M+ seizures**—conspiracy between 2 medical clinics' owners/physicians diverting 1M+ dosage units prescribed substances, mostly opioids, for street-level distribution.
- **Championed professional training + awareness for >1,500 DEA** registrants division-wide. Innovated "MI Practitioner Diversion Awareness Training," focused on addressing diversion + abuse of pharmaceutical controlled substances + attracted attendance by 1,000 healthcare givers / DEA registrants.
- **Built collaborative network of stakeholders from public sector** to address opioid prescription crisis, presenting 8-hours of information and instruction on a variety of topics, including healthcare fraud, methods of diversion and drug trends, and electronic prescribing.

CREATING NEW LEADERSHIP

- **Led by example, setting 'real' goals.**
- **Proactively mentored agents.**
- **Mentored new supervisors.**
- **Cultivated 5 agents + multiple task officers to be promoted to supervisor.**

Special Agent

(Detroit, MI / 12/2013 – 1/2015)

Regulatory / Financial Fraud Investigations • Long-Term, Complex Conspiracy Cases

Navigated High Intensity Drug Trafficking Areas (HIDTA) funded, newly formed Tactical Division Squad through startup + supervised team covering fraudulent diversion of prescription drugs. Leveraged full understanding of DEA's Federal Regulatory Statutes + Administrative Rules, Policies + Procedures to quickly master criminal controlled substance + regulatory investigations. DEA registrants incl. physicians, pharmacists, manufacturers, distributors, etc.

Provided strategic and tactical guidance, delivering subject matter expertise on investigations, fraudulent, conspiracy and drug trafficking activities. Raised team capabilities and responsiveness, providing instruction on firearms and law enforcement techniques. Reported to Group Supervisor.

Chief Impact: Instrumental in **prosecuting concurrent regulatory/financial investigations that led to 6 individuals' imprisonment, revocation of 1 DEA Registration + seizure of \$2M+**. This 1 investigation of corrupt dental assistant, was girded by 100+ 'fake' patient profiles, 1,500 fraudulent prescriptions + multi-state sales distribution network.

- **Expanded knowledge of long-term conspiracy investigations.**
- Solely managed non-drug evidence leading to / throughout prosecution: 1K+ items/75-100 concurrent investigations.
- **Headed investigation that led to largest** (at the time) DEA civil **forfeiture—\$7.75M—against drug manufacturer** and ultimate drug classification change. To-date, zero overdose deaths reported, vs. 50 U.S. deaths prior to investigation.
- **Mentored 15 investigators**, including **3 federally deputized local police officers**, instructing on complex conspiracy and money laundering investigations along with DEA policies and procedures
- **Collaborated with Secret Service**, coordinating DEA's special response team in Detroit and providing President with additional protection via onsite event and post site security.

HEIGHTENED AWARENESS OF CORRUPTION

- **1st case = largest civil forfeiture vs. drug manufacturer.**
- **Identified doctor's fraudulent prescription behavior.**
- **Shrank to 0 overdose deaths, from 50.**
- **Nominee, DEA Administrators Award.**
